November 7, 2005

**Team Contacts & Coaches:**

We have had many teams adding players to their team without informing the AAU office. If you are adding new players, you must first purchase a 2006 AAU card for the player and then inform our office via email, fax or letter of the change to your roster. Also remember that players may only play for ONE team during league play – NO EXCEPTIONS.

Players participating in AAU games without a current AAU card are subject to removal from the league and the teams are subject to game forfeits with no fees refunded.

When you visit a local gym for your game, be sure to thank the gym supervisors for giving your team the chance to participate in a great basketball league. Without these volunteers running our gyms every weekend, these 3,000+ athletes would not have a chance to participate!

We are truly lucky to have the gym availability we have throughout the year. There are many great school districts throughout central Washington who have supported what we do over the last 30 years. Support our local schools by voting "YES" for the various bonds and levies – our children and grandchildren are our future and deserve solid educations.

If you have any questions, please contact me at 509.453.2696 or [Shannon@ieaaau.org](mailto:Shannon@ieaaau.org).

THANKS!
