AAU Member Club Compliance Form

CONCUSSION LAW REQUIREMENTS

Required by AAU Event Operators to participate in AAU sanction events.

HB1824, otherwise known as the Zachery Lystedt Law, was signed into law on May 14, 2009. It requires, as of July 26, 2009, that additional steps be taken regarding concussions in private non-profit youth athletic programs using school district facilities.

This bill requires training and documentation which AAU Member Clubs must adhere to. AAU players and their parents/guardians must meet these minimum requirements:

1. All AAU member coaches will have to take training on the nature and risk of concussions and head injury including continuing to play after a concussion or head injury.
2. On a yearly basis, a concussion and head injury information sheet shall be signed and returned by the youth athlete and athlete's parents/guardian prior to the youth athlete's initiating practice or competition.
3. All athletes suspected of suffering a concussion or brain injury will be removed from practice or competition and not returned to play until cleared in writing by a licensed health care provider trained in the evaluation and management of concussions (Medical Doctors, Doctor of Osteopathy, Advanced Registered Nurse Practitioner, Physicians Assistants, and *Certified* Athletic Trainers).

Wenatchee Youth Basketball AAU Club Compliance Statement for HB1824 Youth Sports-Head Injury Policies

This page must accompany each Tournament Entry form. Participation in AAU Sanctioned Events will not be granted until this page is returned and requirements of this application are complete and approved by Wenatchee Youth Basketball AAU Club.
