Teams are then ranked according to the sum of the point differential with the highest number placing first and the second highest placing second, etc.

3. If more than two teams are still tied after the point differential formula, the point differentials from the teams not involved are added and the results recalculated.

4. If two teams are still tied, both teams will be awarded the championship. In cases of advancement, a coin toss will determine the winner.

5. The maximum you can beat a team and still gain an advantage in the tie breaker is 15 points.

1. All AAU member coaches will have to take training on the nature and risk of concussions and head injury including continuing to play after a concussion or head injury.
2. On a yearly basis, a concussion and head injury information sheet shall be signed and returned by the youth athlete and athlete's parents/guardian prior to the youth athlete's initiating practice or competition.
3. All athletes suspected of suffering a concussion or brain injury will be removed from practice or competition and not returned to play until cleared in writing by a licensed health care provider trained in the evaluation and management of concussions (Medical Doctors, Doctor of Osteopathy, Advanced Registered Nurse Practitioner, Physicians Assistants, and **Certified** Athletic Trainers).
