AAU Member Club Compliance Form

CONCUSSION LAW & SUDDEN CARDIAC ARREST REQUIREMENTS

HB1824, otherwise known as the Zachery Lystedt Law, was signed into law on May 14, 2009. It requires that additional steps be taken regarding concussions in private nonprofit youth athletic programs using school district facilities. Sudden Cardiac Arrest Awareness Act SB 5083 section 3 became law on July 15, 2015 which also requires educational training.

These bills require training and documentation that AAU Member Clubs must adhere to. AAU players and their parents/guardians must meet these minimum requirements:

1. All AAU member coaches will have to take training on the nature and risk of concussions and head injuries including continuing to play after a concussion or head injury and the Sudden Cardiac Arrest information provided.
2. On a yearly basis, a concussion/head injury and Sudden Cardiac Arrest information sheet shall be signed and returned by the youth athlete and athlete's parents/guardian prior to the youth athlete's initiating practice or competition.
3. All athletes suspected of suffering a concussion or brain injury will be removed from practice or competition and not returned to play until cleared in writing by a licensed health care provider trained in the evaluation and management of concussions (Medical Doctors, Doctor of Osteopathy, Advanced Registered Nurse Practitioner, Physicians Assistants, and Certified Athletic Trainers).
