AAU Member Club Compliance Form

CONCUSSION LAW AND SUDDEN CARDIAC ARREST REQUIREMENTS

HB1824, otherwise known as the Zachery Lystedt Law, was signed into law on May 14, 2009. It requires, as of July 26, 2009, that additional steps be taken regarding concussions in private non-profit youth athletic programs using school district facilities. Sudden Cardiac Arrest SB 5083 sec 3 became law on July 15, 2015, which also requires educational training.

This bill requires training and documentation which AAU Member Clubs must adhere to. AAU players and their parents/guardians must meet these minimum requirements: Go to www.ieaaau.org upper right hand side of the web site Lystedt Law information:

1. All AAU member coaches will have to take training on the nature and risk of concussions and head injury including continuing to play after a concussion or head injury and Sudden Cardiac Arrest information provided.
2. On a yearly basis, a concussion and head injury/Sudden Cardiac Arrest information sheet shall be signed and returned by the youth athlete and athlete's parents/guardian prior to the youth athlete's initiating practice or competition.
3. All athletes suspected of suffering a concussion or brain injury will be removed from practice or competition and not returned to play until cleared in writing by a licensed health care provider trained in the evaluation and management of concussions (Medical Doctors, Doctor of Osteopathy, Advanced Registered Nurse Practitioner, Physicians Assistants, and *Certified* Athletic Trainers).
4. This is a requirement to use any public facility. As a team participating in any Eastmont Parks & Recreation AAU Club event, this must be signed and returned to Eastmont Parks & Recreation, a member AAU Club.
